SEYMOUR, INDIANA

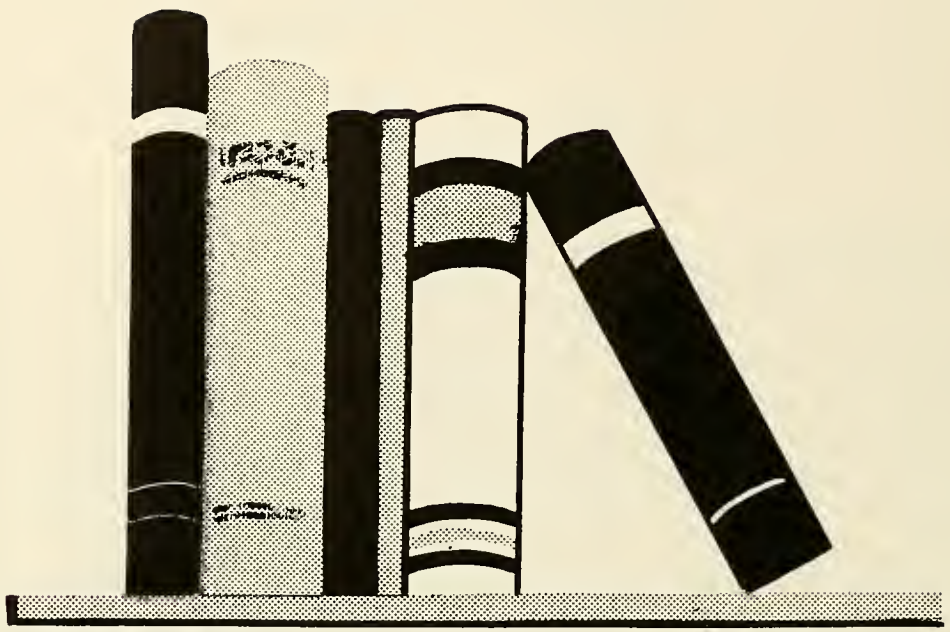
We are seventh, eighth, and ninth grade students. Follow us through this door as we attend our various classes, clubs, and activities. Let us introduce to you our administration, teachers, and friends in this, our school, the SHIELDS JUNIOR HIGH SCHOOL.

SEYMOUR PUBLIC LIBRARY
SEYMOUR, INDIANA



administration

This is Mr. CHARLES H. ENGLEHARDT, our PRINCIPAL, who is in his office every morning long before we arrive for school. He plans all the countless details so that our school may run smoothly.

This is Mr. ROBERT B. BULLEIT, our SUPERINTENDENT, who administers and supervises our entire Community School system.

These five gentlemen compose the BOARD of EDUCATION. They were selected for the interest that they have in the business, education, and progress of our school and city.

We want you to meet our two COUNSELORS --

MR. SAMUEL SINN, who capably helps our boys with both their school and personal problems.

MRS. JANE CORYELL, counselor for the girls, sees to it that each girl gets suitable guidance for her particular talent.

MRS. VELMA JOHNSON, Office Secretary-Treasurer and MRS. LUCILLE WILLIAMS, Office Clerk, have so many duties that it would be difficult to list them all. Both the teachers and students go to them many times during the day for help.

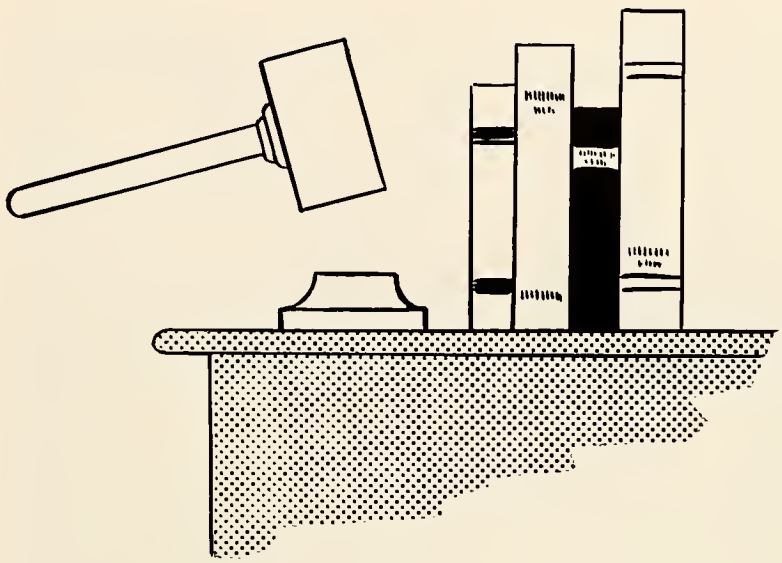
MRS. ANNETTE TEST spends many hours checking, helping, and guiding us toward better ATTENDANCE.

MISS WILLMA ROSE SMITH, our School Nurse, is always available when we need her professional medical advice.

MRS. MIRIAM EUDALY checks our hearing and speech for any deficiency.

We are just at that age where much of our time is spent in eating. Our school cafeteria has a wholesome, well-planned lunch for us each day, all prepared and served by these capable COOKS: Lois Wayman, Avis Burrell, Margarette Pollert, Grace Harris, Shirley Zellner, Gertrude Gregory, and Dorothy Williams. They are supervised by Miss Carrie Ryan.

Do you notice how clean, orderly, and polished everthing in the classrooms and hall are? This is due to the tireless efforts of our four CUSTODIANS: Arnold Vice, Ervan Shelton, John Scales, and Sam Emily.



faculty

Now meet our TEACHERS. If we had the time we would tell you all about their personalities, charac - teristics, and capabilities. Each teacher, everyday, teaches us not only book knowledge, but the high moral principals which we shall use throughout our life. But let us introduce to you our teachers and the subjects that they teach.

classes

Here we are --- the NINTH GRADE students of our school. This year there are two hundred and ninety of us. This is the third year for many of us in this school. However, the Freshman class has students from St. Ambrose, Immanuel, St. Johns, and several students not only from other towns but also other states. Now we are one big class, all studying, working, and enjoying the privileges offered at Shields Junior High School.

We had an election and chose our class officers. We would like you to meet them.

We are the EIGHTH GRADE. Two hundred and forty-three of us enrolled in school this year. A few of us are new to this system, but for many of us the routine of enrolling, scheduling, and finding our classrooms was easy because, after all, we had already had a year's experience in this matter.

SEMESTER HONOR ROLL

As you can easily see by looking at our students, many of us are trying to learn our lessons thoroughly to get as much knowledge as possible so that we may be better prepared for the advanced schooling which will lead us to a worthwhile adult life. It is very rewarding to us to be able to make the HONOR ROLLS, especially the SEMESTER HONOR ROLL.

athletics

I am sure that you have read many articles in the paper pertaining to our ATHLETICS in the seventh, eighth, and ninth grades. Each class has its own group of cheerleaders and during the season of sports these girls can be seen cheering us on to victory on the football field and basketball court. Not only in these two sports but cross country and golf, also, do our boys excel. Watch the outstanding athletes in the junior high school and you will see these same boys a few years from now, the heroes of the senior high school athletic teams.

MIRROR STAFF

We want you to come into Room 22 and watch the annual staff at work making preparations for our yearbook, the JR. HI. MIRROR, for 1963-1964. These students are members from the seventh, eighth, and ninth grades, and in May we shall show you the result of their handiwork. We hope that you will like our yearbook as it is rather unusual for a junior high to have an annual.

SPONSOR: MRS. DANNETTELLE

A very important time in the year is the day that Mr. Harry Jones and his wife come to school to take our school pictures. We usually dread having our pictures taken but are always pleased when we see the results.

STUDENT COUNCIL

We are very proud to introduce to you our STUDENT COUNCIL. Our principal, Mr. ENGLEHARDT, is the sponsor of this most important organization, which is composed of the class officers from each grade and a representative from each homeroom not represented by a class officer.

The purpose of the Student Council is to develop and maintain a spirit of co-operation and service within the student body and to help promote a better understanding between the school and the community.

You will find that many worthwhile projects have been undertaken and accomplished by the Student Council.

CLUBS

We want to say a word about the many other activities offered in Shields Junior High School. Because we number over seven hundred students with varied interests and capabilities, the school offers many CLUBS to challenge our interests. Because some of us are interested in acting we join the Dramatics Club and participate in the musical production given each spring. Foreign Language, Science, Home Economics, Social Studies and many other clubs are here for us to join.

As you follow us to our various clubs you will see how many of us have gained extra information and help from these extra-curricular activities.
